REAL MEN GIVING REAL TIME

The Virginia Peninsula Chapter of the 100 Black Men of America, Inc. will host our **27th Annual Black Tie Gala on Saturday, April 13, 2019** at the Marriott Hotel in Newport News, VA. This year, we will recognize **Dr. Christine Darden, former NASA engineer / mathematician and one of its iconic “Hidden Figures,”** as our **Role Model of the Year**. This event is our primary fundraiser, which supports our mentoring, scholarship, and other Chapter activities. We are soliciting your support via the purchase of an advertisement in our souvenir journal. This journal will be given to all in attendance at the Gala, which has historically been a sellout.
